

Building Cosmetics...

Research + Technology + Culture

The main international scientific event devoted to cosmetic research, the 25th IFSCC Congress, is ready to open its doors from the 6th to 10th of October 2008 in Barcelona (Spain).

This event will attract more than 1500 scientists and researchers from all over the world presenting 68 podium presentations and 311 posters on the latest cosmetic research and innovative technologies.

The **3rd Announcement**, containing the preliminary scientific program, is already available on our website (http://www.barcelona2008ifsc.org/news/upfiles/3_F_en.pdf)

More that 69 exhibitors will be also present at the parallel exhibition.

Register now and benefit from reduced fees
